

Warranty

Limitations, exclusions and other rights:

Except as provided herein, Starlight makes no other warranties, expressed or implied, including but not limited to the implied warranties of merchantability or suitability for a particular purpose, as all such warranties are expressly disclaimed. Some states do not allow the exclusion of an implied warranty, so the above exclusion may not apply to you.

Starlight is not responsible for defects or malfunctions in and/or damage to starlight kits where a sale is specifically made without warranty. In such sales the disclaimers of warranty and liability set forth above, shall continue to apply.

The warranty covers normal consumer use and does not cover damage which occurs in shipment or damage or failure which results from alteration, accident, theft, fire, misuse, abuse, abnormal use, improper installation, improper maintenance or where adequate care has not been taken to prevent damage to the lighting system.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. If you discover a defect or malfunction during the period to which this warranty applies, contact Starlight for information on receiving warranty service.

Starlight warrants to the Purchaser that each Product manufactured and sold will be free from defects in material and workmanship in its intended use (normal wear and tear excepted) for a period of one year from date of Purchaser's purchase (the invoice date). Starlight's warranty flows only to Purchaser. If any Product covered by this warranty is returned by Purchaser in accordance with Starlight's Products Return Policy, including without limitation its return authorization provisions, within the applicable warranty period set forth above, and upon examination Wiedamark determines to its satisfaction that such Product was defective in material or workmanship at the time of delivery to the Purchaser, Starlight will, at its option, repair or replace the Product or the defective part thereof, or reimburse Purchaser for the purchase price. For purposes of clarity, "repair or replace the Product or the defective part thereof" does not include any reinstallation costs or expenses, including without limitation labor costs or expenses.

If Starlight chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Starlight may replace it with a comparable product. The foregoing notwithstanding, Starlight will not be responsible for damage to any Product resulting from misuse, negligence, acts of God or accident or resulting from repairs or alterations made by any person or firm not duly authorized by Starlight in writing. Purchaser shall convey with each Product distributed to end users this Starlight'S LIMITED WARRANTY, and if Starlight determines that the appropriate remedy for a defective product is refund of Purchaser's purchase price, Purchaser shall refund to the end user (or arrange for the refund to the end user of) the full purchase price paid by the end user for such defective Product.

Starlight will replace defective product with like product. Starlight will not provide credit on defective unit unless no suitable repair or replacement is available. Starlight will cover shipping charges incurred by customer up to the amount of a standard USPS Ground charge for the return of Defective product and the shipment of a replacement product. Starlight will not reimburse or pay for labor or other costs associated with removal of the product, even if it is ultimately deemed to be defective.
